security if WEX, in its sole discretion, considers that this is required to guarantee the Customer's current or future payments of any additional sum which may be owed to WEX by the Customer from time to time. The Customer shall renew any expiring securities at the latest by the date corresponding to the expiry date of the security minus the number of days corresponding to the then applicable Payment Term, and if the Customer fails to do so, WEX is entitled to block the Cards. If a parent guarantee is in place and, as a result of a change in the shareholding structure in the Customer's Affiliates, the parent company that has issued the guarantee no longer is a parent of the Customer, the Customer shall immediately secure an alternative security acceptable to WEX, unless and until it is confirmed by the parent that has issued the guarantee that it remains in force. Failure to provide or maintain at all times adequate securities shall immediately make all sums owing by the Customer to WEX (whether already invoiced or not) on any account whatsoever immediately and automatically due and payable. The Customer shall ensure that WEX will have the option to call on the security until at least 6 months from the end of the month after termination of this Agreement.

The Customer shall not withhold or set off any amounts payable by him against any amounts payable by WEX, except if this is mandated by law.

(g) In the case of Late Payment, WEX reserves the right to apply a charge to all Transactions for a period of 3 months immediately following the occurrence of the Late Payment.

(h) WEX reserves the right to terminate this Agreement, suspend Cards or levy a charge in the event that the Customer's or Cardholder's Credit Limit is exceeded.

(i) WEX (or its agents or representatives) may perform credit checks on the Customer. The Customer hereby gives its consent to WEX (or its agents or representatives) to carry out such checks. The Customer hereby acknowledges and agrees that the credit checks may involve giving information about the Customer to licensed credit reference agencies or third parties. Occasionally WEX may use the information provided as a result of the credit checks to inform the Customer about any other product offering of WEX or any third party from time to time.

(j) WEX may undertake periodic risk assessments of the Customers using industry-recognised risk exposure management tools and/or general market intelligence. If, following such risk assessment, the Customer's risk exposure reaches a specified risk exposure level determined by WEX in its sole discretion, a risk based charge may be applied to all purchases of Goods and Services for the duration of the increased risk exposure level until such point as the original risk level resumes.

If this Agreement is continued and if the Card was used within a period of 6 months prior to the expiry date, a new Card will be sent shortly before the expiry date. This Agreement will be applicable to any new Card issued, subject to the continuation of this Agreement and the existing Cards being used within 6 months prior to the relevant expiry date.

8.5 The Customer shall indemnify and hold WEX, its officers, employees and agents harmless in respect of any losses that are caused by or result from the negligence or wilful acts or omissions of the Customer and/or Cardholders.

8.6 Nothing in this Agreement has the effect of limiting or excluding any liability of WEX in respect of a claim arising as a result of the fraud, negligence or wilful misconduct of WEX, its contractors or agents and their respective employees (but, for the avoidance of doubt, WEX shall not be liable in any way to the Customer and/or Cardholder for the fraud, negligence or wilful misconduct of any third party service provider) save to the extent that liability cannot by law be excluded, and provided that WEX shall in no event be liable for any consequential or indirect loss howsoever arising.

9. Force Majeure

WEX shall not be liable for any failure to perform or any delay in performance under this Agreement arising from, or in connection with, any event that is not within WEX's immediate control, including, but not limited to:

10. General

10.1 WEX may unilaterally vary, add to or delete any provision of this Agreement and changes to this Agreement shall be posted on the website (including any relevant effective dates). The Customer shall check online from time to time for any updates or amendments to this Agreement. Use of a Card after any such update has been made to this Agreement shall be deemed to be acceptance of the modified Agreement by the Customer.

10.2 WEX may transfer or assign the rights and obligations under this Agreement in whole or in part (including, but not limited to, transferring, assigning or factoring any debts or claims) to third parties. Furthermore, WEX may, at its sole discretion, and without Notification, appoint any agent or contractor for the negotiation and/or execution of this Agreement and the Customer hereby expressly confirms its consent to any such appointment. The Customer may transfer or assign its rights and obligations under this Agreement with prior written consent from WEX.

10.3 Each Party shall exercise reasonable care and diligence to prevent any action or condition which may result in a conflict of interest with those of the other Party. This obligation shall apply to the activities of each Party's employees and agents in their relations with the employees and families of the other Party, its representatives, vendors, subcontractors and third parties. Each Party's compliance with this requirement shall include, but shall not be limited to, establishing precautions to prevent that Party's employees or agents from making, receiving, providing or offering substantial gifts, entertainment, payments, loans or other considerations for the purpose of influencing individuals to act contrary to the other Party's best interest. Each Party shall promptly Notify the other Party the identity of its representatives or employees who are known in any way to have a substantial interest in the other Party's business or the financing thereof.

10.4 No remedy of WEX against the Customer is intended to be exclusive, but each remedy shall, to the maximum extent allowed by law, be cumulative and in addition to any other remedy referred to herein or otherwise available to WEX. The exercise, or beginning to exercise, by WEX of any one or more remedies shall not preclude the simultaneous or later exercise by WEX of other remedies. All remedies of WEX shall, to the maximum extent allowed by law, survive any and all terminations of this Agreement. To the maximum extent allowed by law, no delay or failure on the part of WEX in exercising any right, remedy, power, or privilege of WEX shall operate as a waiver thereof.

10.5 Each of the clauses in this Agreement is independent and severable and shall not, in the event of any declaration of invalidity or unenforceability, affect the construction, or effect of, any other clause in this Agreement.

10.6 This Agreement shall form the entire agreement between WEX and the Customer in relation to the use of the Cards and supersedes all other agreements and understandings (whether written or oral) in relation to the use of the Cards.

10.7 Headings used in these General Terms and Conditions are for convenience only and shall not affect its interpretation.

10.8 The provisions of this Agreement relating to confidentiality, liability, governing law and dispute resolution, and other provisions that expressly or by their nature are intended to continue to have effect, shall survive termination or expiration of this Agreement.

10.9 This Agreement, and any supplies of Goods made in conjunction with the use of the Card, shall be governed by, and construed in accordance with, the laws of the Grand Duchy of Luxembourg (excluding its rules on conflict of law) and Customer irrevocably submits to the exclusive jurisdiction of the courts of the City of Luxembourg, Grand Duchy of Luxembourg. Neither the Uniform Law on the International Sale of Goods ('ULIS'), nor the United Nations Convention on Contracts for the International Sale of Goods 1980 ('CISG') shall apply.
